The Cris I Zone, Reservoir A, in the LaRose Field, Lafourche Parish, Louisiana, was fully defined in Office of Conservation No. 405-R, effective November 6, 2001.

In addition to furnishing the legal notice to all Interested Parties, the applicant will provide for POSTING of the legal notice of the hearing and unit plat in a prominent place in the area of the LaRose Field, Lafourche Parish, Louisiana, and will cause the legal notice of the hearing to be PUBLISHED in a newspaper of general circulation published in the vicinity of the LaRose Field, Lafourche Parish, Louisiana, at least fifteen (15) days before the hearing date.

There are attached hereto and made a part hereof a plat outlining the proposed units and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties and proposed unit plat (being the same plat attached to the June 10, 2004 preapplication notice) are being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, said plat and the list of parties will be provided to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, there is enclosed our check on behalf of the applicant, Louisiana Delta Oil Company, in the sum of \$755.00 payable to the Office of Conservation and representing the required hearing application fee.
